Monthly Meetings Planned

Remember, it's... **1, TWO!**

The Central Texas Micronuts will now be meeting on a monthly basis. Mark your calendars for the second Thursday of every month, 7pm. In March, we will meet on the 8th at **Roy Henry's Famous Chicken and Waffles**, 1815 West Ben White Blvd. (which is one block west of Ben White and Manchaca) in South Austin. Come join us for micro stories, car tales, and yes, chicken and waffles. You heard it here first!

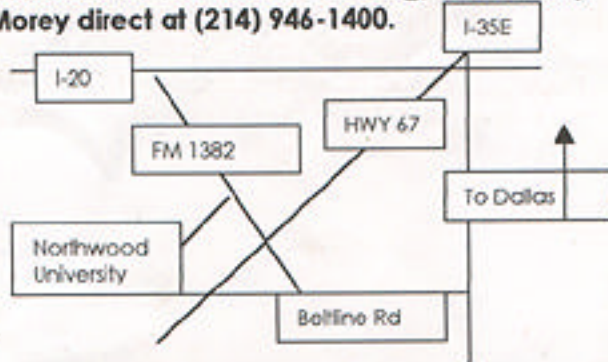

Rodeo Up Congress With Us!

It's **RODEO** time in Austin once again, and that also means it is time for a **PARADE!** The American Antique Car Association is celebrating in Austin by joining the Rodeo Parade kick-off festivities up Congress Ave. on Saturday, March 3rd. YEEE-HA! The parade will begin at 10am, and we will be taking as many of our cars as we can find drivers for...3 BMW 600s and our BMW 700, fer sure. Want to join us? Give Terry or Debbie a call at (512) 442-1361, or come on down and cheer.

Don't be an egghead...putt on over, easy. Please RSVP by March 17th to Debbie at 441-0399 so I can make arrangements. This is no yolk! We're talking eggzellant fun, foods, and friends here.

Spring Microcar

Party

April 7, 2001

One of our Micronuts members, Rafael Garcia, has offered to host a barbeque and tree house visit on Saturday, April 7th. Details are developing, but this we know...anyone who loves little cars and loves to eat is invited. We will have a barbeque pit going, but bring along a sidedish—salad, dessert, bread, dessert, drinks, ice, dessert, what ever kind of dessert you really like to share. Rafael has a great treehouse—let's share the vista!
